

BINJHAL

The concept of nuclear family is mostly found in this tribe. Father is the head of the family. They observe a purification ceremony after the seventh day of the birth of the child. During the ceremony they clean their nails and take bath. Besides celebrating various Hindu festivals, they also celebrate Hariyali festival during June-July & Karma festival during August-September. Goddess Bindhyagiribasini is their main deity. Cultivation is their main occupation. Chauli and Mahuli are their main drinks.
